2 INTRODUCTION

The Ministry of Education (erstwhile Ministry of Human Resource Development), Government of India took a policy decision in 2002 to conduct an All India Engineering Entrance Examination (AIEEE) annually, doing away with many of the large number of entrance examinations that were being conducted till then by various institutes in the country for admission to undergraduate degree programmes in the disciplines of Engineering/Technology and Architecture/Planning. This initiative has been widely accepted and appreciated.

A Central Counselling Board (CCB) constituted by the Govt. of India coordinated admissions to UG degree programmes in Engineering, Technology and Architecture for selected institutes till 2012. From 2013 onwards, CCB and AIEEE have been renamed as Central Seat Allocation Board (CSAB) and JEE (Main) respectively.

By the order of Ministry of Education, joint counselling for IITs/NITs/IIITs/GFTIs started from academic session 2015-16 and Joint Seat Allocation Authority (JoSAA) was created to execute the joint counselling. IITs-JAB (Joint Admission Board) and NITs-CSAB with JoSAA-2020 will admit candidates in the first year of Engineering/Technology and Architecture/Planning Programs of 23 IITs, 31 NITs, IIEST Shibpur, 26 IIITs, and 29 other Government Funded Institutes (GFTIs) (list displayed on website https://josaa.nic.in) on the basis of their rank in JEE(Advance) for IITs/JEE (Main) for NIT+ System and category, through a centralized seat allocation procedure, for the academic session 2020-21.

The CSAB for 2020 has been constituted with Prof. Rajeev Tripathi, Director, Motilal Nehru National Institute of Technology Allahabad, Prayagraj as its Chairperson as per the Office Memorandum of Ministry of HRD, Govt. of India vide letter No. F-37-2/2019-TS.III dated 30th December 2019.

Apart from JoSAA-2020 counseling process, CSAB-2020 is also responsible for conducting centralized seat allocation process for the following:

1. CSAB-special round for admissions [based on JEE (main) rank and category] to the first year of Engineering/Technology and Architecture/Planning Programs of NIT+ system for vacant seats left over after JoSAA-2020 rounds (1-6).

2. Supernumerary round of counselling in certain NITs for candidates with state of eligibility as Union Territories of Dadra & Nagar Haveli, Daman & Diu, Lakshadweep & Kandvi and Andaman & Nicobar Islands.

3. Admission in AICTE approved Institutes for candidates belonging to north east and union territories through CSAB-NEUT-2020 and

4. Seat allocation of participating self-financed technical institutes (SFTI).

This document lays down the procedure/rules for **CSAB-2020 special round** seat allocation process for NIT+ system which will start after completion of 6th JoSAA round. Candidates are advised to read this **Information Brochure** carefully and visit CSAB-2020 website (https://csab.nic.in) regularly for updates and for details regarding the entire online admission process as no postal communication will be used.

In case of any dispute arising out of the seat allocation process at any stage up to the final allocation of institute and/or branch, the decision of Chairman, CSAB-2020 shall be final and binding. The jurisdiction for legal disputes, if any, will be limited to the Honorable High Court at Prayagraj.
